9. Mr. Jim Tolin, chair of the Constitution Committee of the Beulah Baptist Association, Inc. stated that the constitution committee met in February, 2002 and recommended the following changes of the Bylaws to be considered: The noncontroversial changes would be presented first. They are Article 2, Section 1, change Missionary to Southern; Article 3, Section 2, add secretary/clerk; Article 11, Section 2, add the Vice-Moderator will become Moderator if the Moderator resigns or is no longer able to function as Moderator; Article 11 Section 4, add, a voting member; Article 12, Section 3, and add secretary/clerk; Article 15, Section 3 add Treasurer; Article 15 Section 6 leave out "in the associational area"; Article 15 add Section 11 "Member os standing committees shall serve for a maximum of three, (3), consecutive years, except those members of the committee who are members as a result of being officers of the cooperation." These items will be voted on in the second day's session. Mr. Tolin presented proposal asking that messengers consider annual meeting only be held for one day stating that this information was solely for messengers to think about. Rev. Childers clarified that several pastors and lay people had come to him with the desire for a one day meeting.

10. Mr. Tolin presented an amendment which would be voted on separately from the additions above, to add to Article 2, Section 4. The Association affirms the Bible to be the Word of God, without error, and it is the sole authority for faith and practice. The guideline for the doctrinal statements of the Association is "The Baptist Faith and Message" as adopted by the Southern Baptist Convention on June 14, 2000. These guidelines are non-binding in recognition of the autonomy of the local church. Rev. Wendell Stokes of Mount Harmony Church made a Substitute Motion that "The Association affirms the Bible to be the Word of God without error and it is the sole authority for faith and practice. The doctrinal statement of the Association is The Baptist Faith and Message as adopted by the Southern Baptist Convention on June 14, 2000." Copies of the motion were handed out to messengers and Rev. Stokes explained the reasons for the substitute motion. Discussion followed. Rev. DuPre Sanders of Roxboro Church spoke against the substitute motion saying that the ad-hoc committee addressed these issues and made a recommendation. The substitute motion intention is to stop the diversity in our association but in actuality it would weaken the relationships between the churches. Rev. Childers asked that the vote be made by ballot. Mr. John Heskett asked for clarity of the vote being that it is for the approval of the substitute motion which if approved would be voted on at the second day of annual meeting. Each church received ballots for their allotted number of messengers. It was clarified that only those who were present could vote. Rev. Stokes read the Substitute motion. Mr. Oakley read the recommendation from the Constitution Committee. Mr. Oakley stated that the vote was yes or no for Mr. Stokes Substitute motion. The gold ballot from each messenger packet was used. The vote for the substitute motion passed with ninety-three (93) yes and (37) no votes.

11.Under miscellaneous reports Mrs. Laura Davis, Missions and Ministry Coordinator for the North Central Region wanted to give a report about what the association is doing and about the ministry position. She works with five Baptist Associations, Beulah, Cullom, Flat River, Roanoke, and Tar River. The goal for the ministry is to be on mission for Christ to meet people at their point of need and to help them. Contact is being made with helping organizations within the association and finding what the immediate and longtime needs are in the association. When she learns of the needs, she will contact the churches of the association and enlist their help in providing those needs. Churches work together to meet the needs in the communities. Follow up would be made a practical way to show people God's love. Reminded churches that OperationInAsMuch would be held on Saturday. Each church was asked to consider their role in regional program and pray for the ministry.

12. Rev. Gerald Hodges of Westwood Church "moved that the messengers of the 2002 Beulah Baptist Association Annual Meeting direct the Board of Directors (Executive Committee) to proceed with whatever actions are necessary to immediately sell the property owned by our Association on Hwy 158 W and that the proceeds from the sale be set aside in savings or escrow until such time as God brings us clarity of vision and unity of purpose in the matter of an associational office building and/or office space." The motion was seconded. Rev. Hodges stated that this had been weighing on his heart for some time. And something that is weighing heavily on him in the climate and atmosphere that currently exists in our association. The principles of democracy and majority rule play a big part in our society. We are not to be divided but we are to have the mind of Christ. He stated that there has not been any clear unity in the property that the association had purchased for an office building. Do nothing until we have a clear word from God about what we are to do. No one spoke against the motion. The motion carried.

13. Rev. Tommy Robertson of Mill Creek Church made a motion to change Article 2 Section 1 of the bylaws to add to the statement, presented to be changed to read as follows: "The churches shall be cooperating Southern Baptist Churches in faith and practice and giving a minimum of $500 annually." The motion was seconded. Discussion followed on the amendment. Motion carried. The change would be voted on at Tuesday's meeting.

14. Mr. Titus Buck led the congregation in singing "Wonderful Grace of Jesus."

15. The Evangelism Report was given by Rev. Clyde Everett of Milton Church. He told of the success of the Senior Adult Revival held at Westwood and the Evangelism Banquet held at Berry's Grove Church.

16. The Prayer Ministry Report was given by Mrs. Lorene Heskett of CaVel Church and is printed with directors reports.

17. Rev. Tim Bowes of Berry's Grove Church gave the Sunday School Report. Sixty-eight people came to training at Old Lea Bethel Baptist Church. How to convey God's Word to our class in such a manner as to cause the church to grow. Regional Sunday School Training will be hosted at Berry's Grove on March 3. He asked for volunteers to serve on a Sunday School Committee.

DIRECTOR OF MISSIONS REPORT
2002

We started off the year in a great way with the prayer retreat in November. Dr. Greg Frizzell, an internationally known writer and speaker was our leader. He was a blessing and challenge to all who attended.

In December I moved my membership to Nueva Esperanza, our Spanish mission. I have been blessed and have enjoyed my fellowship and worship experiences there. I have invested a great deal of my time working with my pastor, Rev. Angel Cruz and members of Nueva Esperanza in outreach to the Spanish community.

Through the Association Missions Committee we planned some special services, Vacation Bible School, and a summer Kids Club at the Carlyle Trailer Park where many Hispanics live. This has resulted in some accepting Jesus as Savior. More events are planned for this year.

A mission trip to Mexico was also planned and carried out by our Association Missions Committee. Seven churches were represented in the thirty-three people who were on the two teams who went for a week each. God really blessed as we saw at least thirty people pray to accept Jesus as Savior.

We look forward to another trip this year. The Christians there greatly appreciate our help and tell us what an encouragement we are to them. We have a fund in our association to help raise money to build a sanctuary. When enough money is raised to buy the materials, we plan to send teams to help with the construction.

Our Evangelism Committee planned and carried out two major events this year. In June, we had the Senior Adult Revival. It was well attended and greatly enjoyed. In August, we had our Evangelism Banquet. There was a delicious meal and great time of fellowship followed by some very inspiring music by the Bethany Church Choir and a challenging message by Rev. Danny Moosbrugger.

The Association WMU sponsored a book study by Mrs. Barbara Joiner, another internationally known writer and speaker. She led a study on Beyond Belief! II, a book she had written for the national WMU. She kept us on the edge of our seats with her inspiring stories and humor. We were blessed to have her in our association.

This past year has been a real blessing to me as well as one of the most challenging years in my life. I have learned to pray more and completely depend upon God because of the challenges. My family and I will be eternally grateful for the love and concern shown us by many churches and individuals during crisis times. We could never have made it without you. You have ministered to us and been a blessing from God.

As I am thankful for the blessings of the past year and all that has been accomplished, my heart is truly broken for the lack of unity in our association. My prayer is that we an "put aside every weight, and sin which so easily ensnares us and run with endurance the race that is set before us, looking unto Jesus." (Hebrews 12:1b-2a) If we can do this, we can come much closer to reaching our full potential as an association.

Your Director of Missions,
Rev. Ken Childers

Report from Associational Youth Ministry

I'm happy to report that this past September 19th, 2001 approximately 120 youth, youth leader's and other concerned adults rallied at the Person High flag pole at 7:15 in the morning to pray together. The youth led in prayer as a large group and then in smaller groups. They prayed for renewed vision to reach their school for Christ, for racial unity and reconciliation, for our country, that we would turn to God as our only Protector and Provider, and for their lost friends. The youth and adults were mutually encouraged by this time of prayer. After the time of prayer, the entire group held hands and sang praise choruses around the flag pole. One song, "Lord I Lift Your Name On High," was particularly moving as our voices rang out praises on a school campus in front of spectator's, youth and adult alike. We look forward to next year's See-You-At-The-Pole and all that God has in store for us.

At the conclusion of the 2001 Person High Rockets Football regular season the association sponsored a unique event called: OVERTIME: A Youth Event. This November 9th, saw 500 + youth and 150 adults pack out the high school gym after a victory from the team. Former NFL quarterback Frank Reich spoke to the youth and adults about: How to win at the game of life. We also gave away prizes by drawing, contests, and other high-energy games. A highlight video was also shown of the best plays of the Rockets 2001 season. We thank the many youth leaders who worked hard to see that this was a success, and the hundreds of youth who participated. We give God the glory for all that He did and is going to do through this ground breaking event.

Before Christmas there was a youth pastor's and wives special time together at North Roxboro. We enjoyed fellowship, prayer. . .and food, as each family brought a special supper item. We also said goodbye and prayed for Jonathan Brown and his family from Somerset as the Lord was moving their family closer to home.

The association also contributed to sponsoring many of our youth go to Mexico on short term mission trips. The money invested in these youth from the Youth Budget was a worthy investment, as we all see when they return with the excitement of serving the Lord abroad.

We look forward to 2002-03 and all that God has for us to accomplish among the many youth of Person, Caswell and Orange County. Pray for our youth and leaders as we make decisions and attempt to discern the direction God would have us go. Thank you.

PRAYER MINISTRY REPORT
2001-2002

November 5, 2001 — Baptist Women's World Day of Prayer, Montwood Baptist Church.

November 16-17 — "How to Develop A Powerful Prayer Life" Prayer Conference with Dr. Gregory Frizzell at Westwood Baptist Church. It was an answer to prayer for us to have someone of the statue of Dr. Frizzell to conduct a prayer conference in our association. It was attended by people from 17 churches within the association and two churches from other associations.

December 4 — National Day of Reconciliation. I encouraged churches to set aside this day as a day of prayer for our nation, our President, his Cabinet and Congressional leaders. The North American Board produced a 40 day Intercessory guide entitled, "Praying for the President and Governmental Leaders." These were available through LifeWay Christian Stores.

March 6, 2002 — Churches were encouraged to observe "The Day of Prayer for Spiritual Awakening for our Nation."

March 15-16 — I attended a "Prayer Conference for Revival and Spiritual Awakening" at First Baptist Church, Garner, NC. There were many conferences on prayer and spiritual Warfare. The highlight of the conference was Dr. Greg Frizzell and Evelyn Christenson as the keynote speakers. Both of these speakers have led conferences in many other countries of the world.

May 2 — I participated in a prayer meeting on "The Day of Prayer for our Nation" on the Courthouse steps at noon, as well as Gerald Hodges, Martin Hall and others. This was sponsored by the Interdenominational Prayer Group, "In Prayer for Person County."

May 14 — I attended a training session for prayer coordinators and evangelism directors at Rocky Mount. sponsored by the North American Mission Board and the Baptist State Convention of NC. It was to train to be a telephone encourager. This is an exciting ministry which can affect every area of the church. You are given a pin number and pass word. When you have some time, you call into the Response Center and log on. When calls come in, in response to a TV or radio spot ad, they are forwarded to you. It may be for prayer, spiritual help, or salvation. A report is filled out and faxed or mailed to the Response Center. Then this information will be passed on to a participating church within an eight mile radius of where the person lives for follow up. The great thing about this is that they take the initiative to call you because they are seeking help.

August 23-24 — "Women Sharing the Hope." I had the privilege of attending the first NC Baptist Women's Prayer Conference at Ridgecrest. This was a Prayer and Evangelism Conference for women. Worship leaders were Esther Burroughs, Evelyn Christenson and Mary Lance Sisk. Tow of the conferences leaders were Ruby Fulbright and Phyllis Elvington. If you missed it, you missed a real inspiration and blessing.

August 31 — "Person County in Prayer" at the Kirby Theater. This was a gathering of God's people to pray for the City of Roxboro and Person County. This was sponsored by the interdenominational prayer group called, "In Prayer for Person County." One common bond is that we all believe that Jesus is the one and only way of salvation.

September 11 — "Calling Baptist to Prayer." This was the first anniversary of the terrorist attack on the people of our nation. We encouraged all churches to open their doors to their communities and invite them to come for a special time of prayer for healing and for the light of Christ to shine to a hurting world.

September 17 — "Campus Prayer Walk." Parents were encouraged to pray walk, jog, bicycle or drive around their children's school, praying for the administration, teachers and students for their safety and salvation.

September 18 — "See You At the Pole." This was a prayer event for students led by students at their school flagpole.

November 4 — Baptist Women's World Day of Prayer, Theresa Baptist Church.

This year I have been invited to speak in a number of churches. I have promoted Church Prayer Chain, prayer programs and activities, and made prayer information hand outs available.

Missions Development Committee Report

"Kingdom People with a Kingdom Purpose!" It is so exciting to be "Kingdom" people involved in the "Kingdom" purpose!

Our association had 32 people from 7 of our churches to be on mission with God in Mexico this past summer. Our goal is to help build a church for the people of La Hermosa Baptist Church. These people do not have funds or means to build a church building, but they are using what they do have to reach out to people of neighboring villages with the gospel of Jesus Christ. "Kingdom People with a Kingdom Purpose."

Many of the mission team members have been helping in the work of Nueva Esperanza, since going and seeing first hand the poverty that exist in Mexico. We know why they come to our country to work and earn a living for their families. There just isn't work for them in their country. Some of them that come searching for work find Jesus. This is where we, as "Kingdom" people can be about the "Kingdom" purpose.

Pastor Angel Cruz and the people of Nueva Esperanza need our help in reaching the Hispanic people in our area. It may mean that some other churches in our association would become sponsoring church of another congregation.

Those who are involved are seeing God's plan unfolding! We need more laborers in God's harvest field! We need prayer! We need more teams to go! We need finances to build a church! We need more "Kingdom" people! We need YOU!

The Missions Development Committee will soon meet and begin plans for 2003 work. People discover God's direction through prayer. Have you ever spent a whole week praying for your own witnessing lifestyle? In just a few weeks we will be observing the Week of Prayer for International Missions.

Will you set aside a week of prayer for yourself? During the week, will you pray for Pastor Angel, his family, his congregation, and other ethnic groups in our community? Will you pray for your church? Will you pray that God will show you how to be involved?

Focus on the Kingdom....that is reaching lost people with the Gospel of Jesus Christ!

A Prayer Guide was handed to you tonight if you didn't receive yours, please pick up one as you leave and begin your Week of Prayer soon!

Respectfully submitted,
Charlotte Good

"KINGDOM PEOPLE WITH A KINGDOM PURPOSE"

NORTH AMERICAN MISSION BOARD, SBC
NAMB

-- 2002 ANNUAL REPORT --

God is at work through and among Southern Baptists, and the North American Mission Board is a key part of the team reaching North America for Christ. Five years ago, Southern Baptists took the bold move to incorporate three strategic agencies into one, increasing effectiveness of mission resources. In partnership with state conventions, associations and local churches, we are commissioning more missionaries, putting more money on the mission field, and starting challenging, new ministries to reach North America for Christ. In 2001, gifts to the Annie Armstrong Easter Offering and the Cooperative Program helped NAMB impact efforts in church planting, evangelism, strategic cities, disaster relief, Canada, and much more. Following are a few highlights of what those offerings, 5,154 missionaries, 2,500 chaplains and 250,000 mission volunteers accomplished.

Reaching People for Christ

- More than 2,500 schools are using the FiSH! Bible study strategy on high school campuses, each averaging more than two students per month making a profession of faith.
- More than 1.2 million visitor sessions were recorded on the North American Mission Board Web site. Visitors spend an average of 10 minutes each with on one of NAMB's Internet Web sites. Hundreds of people made professions of faith through these sites and are referred to local Southern Baptist churches for follow-up.
- 2,561 SBC-endorsed chaplains led 16,000 people to faith in Christ.
- As a result of church and community ministries, there were 28,384 professions of faith.
- The Evangelism Response Center is making it possible for specially trained Southern Baptist volunteers to accept calls in their homes from people responding to evangelistic advertising about a personal relationship with Jesus. Information is forwarded to local SBC churches. There were 34,350 calls received and 873 people made salvation decisions during the calls, while 7,680 referrals were made to SBC churches.

Starting New Churches

- Southern Baptists established 1,299 new congregations, added to 466 new SBC affiliated churches for a total of 1,765 new SBC churches.
- The Nehemiah Project, which placed a NAMB missionary at every SBC seminary to serve as church planting professor, deployed more than 200 students as church planter interns.
- Canada leadership set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020.

Mobilizing Christians

- 100,000 adults participated in construction and ministry projects at more than 350 sites.
- 19,245 people participated in World Changers summer mission opportunities in 66 NAMB-sponsored projects. More than 13,600 presentations of the gospel were made, and 1,596 professions of faith were recorded.
- Southern Baptists have the second largest disaster relief force in North America, second only to the American Red Cross. More than 15,000 disaster relief volunteers from 35 state conventions responded to 65 disasters, prepared 1.25 million meals, and repaired 1,000 homes. The in-kind contribution of labor by

Southern Baptist Disaster Relief volunteers following the terrorist attacks on September 11 is $2.2 million. More than 25,000 Disaster Relief volunteers have been trained to assist in relief efforts.

Reaching the Cities

- Strategic Focus Cities mobilizes Southern Baptists to reach two major cities per year. Efforts targeted Las Vegas and Boston during 2001, with the following combined results: 5,800 decisions for Christ; 29 churches planted; 6,000 volunteers; 300,000 evangelistic literature distributed.

2002 North Central Region Report

(Beulah, Cullom, Flat River, North Roanoke, and Tar River Associations)

Regional projects have moved along well in the North Central Region this year. Many thanks are due to those who have served on one of the various taskforce groups. These groups include the Futures Taskforce, Missions Involvement Taskforce, Leadership Development Taskforce, and Revitalizing Existing Churches Taskforce. Much time and effort has been invested in helping the congregations to be more effective and responsive to our Lord's leading.

The highlight of the year was the employing of Laura Davis, Wise Baptist Church, Cullom Association, as the Regional Missions/Ministry Coordinator. Laura is also a current Campbell Divinity School student. Her work mainly focuses on interfacing with community and county leaders and discovering real needs of people in the area. She then will communicate those needs to congregations in the surrounding area and assist them, as needed, to meet the needs. In other words, she will work towards further enabling us to be on mission, beyond the good work that is already been taking place. The overall goal is simply, "every congregation serving Christ by serving people." For further information contact Laura at 252-456-3898 or lauradavis@ncol.net.

Operation Inasmuch (October 26, 2002) continues to be a highlight as congregations are encouraged to reach out to their communities with the love of Christ. Again, contact Laura for guidance in how your congregation might become involved.

Another highlight of the year was a prayer focus initiated by the Leadership Development Taskforce. Under their leadership an audiotape was produced featuring John Franklin, Lifeway Christian Resources. The tape was entitled "How to Have an Effective Prayer Meeting" and included prayer meeting guidance and tips. Every church was mailed a copy. To further nurture prayer, two Prayer Conferences will be held in 2003. They will be held on March 21, 7-9 pm, at the Oxford Baptist Church and on March 22, 9-12 noon, at the Nashville Baptist Church. Both sessions will be identical. Begin making plans to participate in the one that best fits your schedule. Dr. Timothy Jones, author of *The Art of Prayer: A Simple Guide*, *Awake My Soul: Practical Spirituality for Busy People*, *Prayer's Apprentice: A Year With the Great Spiritual Mentors*, etc. will be the keynote speaker. A prayer bookstore will also be provided.

Other exciting plans are in the making for tools and resources that will help our congregations move further towards becoming true Biblical communities.

Two of our congregations continue to move spiritual revitalization. Several book studies have been provided to help congregations renew their spiritual passion. Again, further plans are forthcoming.

Much time and effort has been invested this year in seeking God's will related to a beautiful piece of property in Franklin County known as "Tranquility." The property, freely given by Ms. Clorita Emory to the Baptist State Convention, has tremendous value for the region. Regional leaders are seeking to partner with the Baptist State Convention to make this "gift of God" available to our churches as a place of spiritual nurture.

If you'd like more information or would like to become more involved in these regional efforts, please contact your Director of Missions or Wendy Minton Edwards, East Regional Resources Coordinator (1-800-484-4037, 2273).

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
2001 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2001, the Foundation assisted individuals in establishing 33 endowment funds and 8 charitable remainder trusts totaling $4.8 million and received $9.4 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 162 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $2.3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $16.5 million in contributions, it was the best year ever eclipsing the previous high of $10.1 million recorded in 2000.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2001, the Foundation held $106.8 million under management. This is an increase of more than $9.4 million over 2000.

During 2001, our distributions totaled $6.7 million, with charity receiving $4.4 million and individuals through trusts, receiving $2.3 million. During the 82-year history of The North Carolina Baptist Foundation, Inc., $20.8 million has been distributed to individuals and $36.8 million to Baptist churches, institutions and mission causes for a grand historical total of $57.6 million.

Baptist Children's Homes of North Carolina

Jason and Lacey know real hope after facing hopeless times. Jason and Lacey lived with their mother in Hilo, Hawaii. It sounds wonderful, but for the brother and sister it was far from paradise. Their mother's lifestyle constantly placed the two children in danger. Jason was given the blame by his mother for many of the things that had gone wrong in her life.

"She didn't care about anything," Jason recalls now. "I was just there. She didn't care for me."

Jason drew violent pictures. He had difficulty relating to people and was diagnosed with attention deficit disorder. Soon his secrets were exposed. He had suffered severe physical and emotional abuse by his mother. Drugs had been a pervasive part of his life. He had begun using drugs when he was six years old.

Once Jason's grandparents discovered the truth about Jason's life, they sought immediate help for their grandson and found the help they desperately needed from Baptist Children's Homes. In August 1996, he began his new life at Broyhill Home in Clyde.

Lacey still lived with her mother. The two moved to Arizona. Lacey spent her days in the cab of her mother's boyfriend's semi-truck. She was not attending school. After Jason left, Lacey became the focus of her mother's abuse.

Again, the siblings' grandparents intervened. The couple began to think about bringing Lacey to live at Broyhill Home. In 1997, 14 months after Jason, she was safe. Lacey and Jason's grandparents credit Baptist Children's Homes for giving their grandchildren real hope.

Lacey says she plans to be a lawyer. She likes fighting for the underdog. Jason has plans for a career in broadcast journalism. Since coming to Broyhill Home, both children have accepted Christ as their Savior.

"Things began to turn around for me when I became a Christian. I began to read my Bible," Jason says. "I learned a lot of the answers to my questions. I felt like I could be more open."

"Jason might be in an institution, in prison or dead. We try not to even think of what Lacey's life would be like today," the grandparents say. "They've been saved!"

Jason and Lacey are two of the 1,855 children cared for by BCH last year.

Baptist Children's Homes grieves with Nation after September 11th attack – BCH president calls for acts of kindness. In the wake of the tragic events of September 11, BCH president Dr. Michael C. Blackwell stepped to the forefront to calm and encourage children and families. As the nation reeled from the attack, Blackwell immediately offered words of comfort to families through news media from Louisiana, Arizona, Alabama and across North Carolina. He urged Americans to "show kindness" to one another and exhibit "acts of goodness" toward their communities in response to the violence exhibited against our country. BCH children and staff united to provide needed items for those serving at Ground Zero and gave blood for the victims. Despite the physical and emotional effects of September 11, BCH's mission has remained unwavering. "America's spirit has not been lost, and our spirit of helping and healing is stronger than ever," said Blackwell.

BCH faces financial shortfalls due to 9/11, North Carolina Baptists rise to meet financial challenges. As charities across America began to feel the financial effects of 9/11, Baptist Children's Homes also faced shortfalls. Experiencing nearly a 60 percent drop in annual fund giving, President Michael C. Blackwell made an urgent plea to friends and supporters. After an intense effort including personal letters and phone calls, North Carolina Baptists responded, rallying to close the gap by year-end. "I knew North Carolina Baptists would not forget their children," said Blackwell. North Carolina Baptists also stepped forward by meeting the 2001 Thanksgiving Offering Goal. Today, the effects of 9/11 are still being felt. "It is important for North Carolina Baptists to not grow weary in their efforts to help our boys and girls," said Blackwell. "Our churches are our lifeline. It is because of them we are able to touch the lives of so many."

BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS: PARTNERS IN MISSIONS

The Baptist Hospital mission began in 1921 when our North Carolina Baptist founders stated, "We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Gold crosses that adorn the exterior of the hospital symbolize our historic and daily commitment to bring medical excellence and Christian compassion to those we are privileged to serve. This report will highlight our partnership with North Carolina Baptists in continuing the mission of healing.

SCHOOL OF PASTORAL CARE

Our mission at the School of Pastoral Care is ***"to provide ministries of growth, hope, and healing in the Spirit of Christ."*** This defines the spiritual essence of who we are and the meaning of what we do in caring for hurting people. We are very thankful to North Carolina Baptists for their gifts to the School through the Cooperative Missions Program. You are making a tremendous difference as our partner in life-changing ministries.

CareNet, Inc., our Department of Pastoral Counseling, is the largest faith-based counseling system in the nation. We continue to expand our services across North Carolina. The scope of this ministry is astounding 27,000 hours of counseling per year at 21 locations. These include 4 regional centers (Winston-Salem, Greenville, Fayetteville, and Wilmington) and 17 strategically located satellites. The individual stories of emotional and spiritual healing, of broken families being restored, are even more telling.

The Center for Congregational Health celebrates its 10th Anniversary in 2002. Dr. David Odom has been the Center's visionary leader from its beginning. The initial mission continues to guide this ministry of helping churches become healthier communities of faith. The Center is providing consultation to approximately 25 churches per month, and training to over 600 church leaders per year. The financial support of N.C. Baptists allows Baptist churches to receive initial consultation at no cost, and provides subsidies for churches and ministers needing financial assistance. Please call the Center for more information (336-716-0459).

The Department of Chaplaincy and Pastoral Education provided ministry through more than 61,000 pastoral contacts in the past year. Every day chaplains can be found comforting bereaved families, praying for seriously ill patients, reading Scriptures to those who are afraid, offering comfort and extending hope in the name of Jesus Christ. Fifty-three students received supervision and training in 2001.

The Department of Church and Community Relations continues to serve its mission as a liaison between the Hospital and North Carolina Baptist churches. We welcome you to call Rev. Paul Mullen if you need assistance (336-716-3027). Many pastors call on behalf of church members who need a referral to the Medical Center or have concerns about medical bills because of financial need. Speakers can be requested to provide an overview of the Hospital and its ministries to church groups.

BAPTIST BENEVOLENT CARE FUND

It is a difficult burden to be physically sick and worried about how to pay for needed medical care. North Carolina Baptists extend the compassionate reach of missions to patients in financial need at Baptist Hospital through their gifts to the Mother's Day Offering. Those you have helped are deeply thankful for this gracious witness to the love of Jesus Christ, and they are drawn closer to Him. All of the funds are used for this purpose. **Thank you,** North Carolina Baptists, for giving $568,808 to this ministry in 2001!

BAPTIST RETIREMENT HOMES
OF NORTH CAROLINA, INCORPORATED
PROUDLY SERVING OLDER ADULTS SINCE 1951

The generous support received from North Carolina Baptists has enabled Baptist Retirement Homes to lead the state in providing benevolent care for Older Adults who lack sufficient financial resources to pay for the quality care they deserve. At all Homes communities, residents rest in the knowledge that they will be cared for as long as they live.

Baptist Retirement Homes continues to be on the cutting edge of meeting the needs of Older Adults ... particularly those dealing with dementia-related conditions, such as Alzheimer's Disease.

In recent years, the Homes has established specially designed residences to meet the special needs of these dear ones. The Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville has been operational since 2000; the Kulynych Memory Enhanced Residence opened at the Brookridge Retirement Community in Winston-Salem in 2001; later this year, a third residence will open at the Homes' newest community, The Gardens of Taylor Glen, in Concord.

Thank you North Carolina Baptists, for helping us make life for the Older Adults of this state ... "the Best of Times!"

The world is changing rapidly, and Baptists are changing right along with it. Gone are the days of a simple denominational life or a single way to be Baptist. Never has it been more important for North Carolina Baptists to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to comb through many sources of information and distill them into a trustworthy resource that offers regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Biblical Recorder's* strategic role in promoting God's kingdom work through North Carolina Baptists grows from its mission statement: ***"to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

As the official news journal of the BSCNC, the *Biblical Recorder* has functioned faithfully since its establishment in 1833 by Thomas Meredith. The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association for news and editorial writing in 2000, and taking the association's top prize for news writing in 2001.

The *Biblical Recorder* offers a special service that makes it possible for churches to combine a regular newsletter and the *Biblical Recorder* in a single package, offering significant financial savings.

In addition to its printed form, the *Biblical Recorder* maintains a popular presence on the World Wide Web at www.biblicalrecorder.org. This Web site offers Internet users an opportunity to read much of each paper's content online, as well as to access classified ads, online Bible study resources and a news/weather portal. Thousands of interested readers around the world consult the online version regularly.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program gifts, making it possible to offer the *Recorder* at very affordable subscription rates. Subscription packets and free sample issues are available. For more information, please contact:

Christian Action League of North Carolina
809 Spring Forest Road, Ste 1000
(919) 787-0606

ANNUAL REPORT TO THE ASSOCIATIONS
2002

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

- CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. Over 18,000 have been distributed state-wide.

- The Executive Director of the Christian Action League has written numerous editorials that have appeared in major newspapers across the state; two have appeared in the Raleigh *News and Observer* and one in the *Charlotte Observer.* Reverend Creech is published regularly in *The Charlotte World, The Raleigh World* and the Triad World newspapers.

- CAL publishes once a week an Issues Alert that keeps over 1,000 people updated on the most significant events in the cultural war. Many times the Issues Alert advocates some action that Christians can take to make an impact for Christ on our legislators and U. S. Congressmen.

- Reverend Creech has taken a bold stand in favor of U.S. Rep. Walter B. Jones' bill "House of Worship Political Speech Protection Act - HR 2357" which would permit churches and other houses of worship to engage in political campaigns. Rep. Jones said: "If this nation is going to remain free and strong, I think churches have an obligation to talk about issues." This bill would restore the free speech rights of pastors and ministers to speak openly about moral and religious issues during political campaigns without fear of IRS reprisal. Rev. Creech appeared on NBC 17 to debate the North Carolina head of Americans United for the Separation of Church and State on this issue.

- The Christian Action League actively promoted the "Shield a Badge with Prayer" program started by Reverend Michael Taylor, President of the North Carolina Sheriffs' Chaplains Association. The program pairs law enforcement officers with Christian people who commit to pray for them. Rev. Creech's promotion of the program on radio and in editorials resulted in Agape Press (a national Christian news agency) picking up the story and elevating it to national prominence.

- For the second consecutive year, Reverend Mark Creech has been asked to participate in the Christian World View Institute for Students. The Institute combines a balanced mix of courses that include training in the Christian World View and the opposing world views, apologetics, logic, intelligent design, government, journalism, America's Christian heritage and leadership.

B. Gambling

- Reverend Mark H. Creech has been an active member of Citizens United Against the Lottery which includes such distinguished members as William Friday (former Chancellor of the University of North Carolina system); Billy Graham (Evangelist); former Governor Robert Scott; former U. S. Senator Lauch Faircloth and Chuck Neely (2000 Gubernatorial candidate).

- The Christian Action League of North Carolina focused most of its energy this year in keeping a state-operated lottery out of North Carolina. Our efforts have been effective. Chuck Neely, President of Citizens United Against the Lottery, recently said: "Mark Creech and the Christian Action League have played a pivotal role in holding off the gambling forces .. Mark - who speaks with the powerful, impassioned voice of truth - has helped to organize

hundreds and hundreds of the faithful to call their legislators and let them know of their opposition to the lottery. Without the leadership of CAL, it is doubtful that we could have prevailed so long. The battle goes on, but Mark and CAL are always to be found where the fight is thickest. On behalf of Citizens United Against the Lottery, I am proud to acknowledge the leadership and effective effort of Mark Creech and the Christian Action League."

- In order to equip pastors and lay persons with information about the harmful effects of a lottery, the Christian Action League held workshops called "A Christian Looks at Gambling" in strategic areas across our state. CAL also furnished hundreds of packets of lottery materials (Gambling: A Bad Bet for North Carolina) to pastors.

- The League has lobbied for the passage of the Video Poker Ban bill (SB 1008). The bill currently remains in the House Rules Committee. The Department of Revenue says there are 10,094 video poker machines in the state.

C. Sex Education

- In March, 2002, the Wake County school board voted to teach comprehensive sex education. Reverend Mark Creech and CAL fought vigorously to keep comprehensive sex ed out of Wake County schools. Creech said in an editorial which appeared in the Raleigh *News and Observer* "protected promiscuity has no part in God's plan. Only sex in the context for which it was intended-lifelong, monogamous marriage-is safe."

D. Education

- Reverend Mark Creech appeared on NBC 17 to debate a professor of history from the University of North Carolina about the University's requirement that freshmen and transfer students read "Approaching the Qu'ran: The Early Revelations." Anchorman Monty Knight said the television station's ratings on that particular program were higher than even the national networks. They had never received such high ratings for a news broadcast before. Rev. Creech also wrote an editorial entitled "UNC's Doctrine" that appeared in newspapers across the state. Joe Glover, President of the Family Policy Network (the Virginia-based organization that brought the lawsuit against UNC-Chapel Hill), said he believed Rev. Creech's editorial had a significant impact on the decision by legislators in the North Carolina House to vote to defund the summer reading program at UNC-Chapel Hill.

E. Alcohol

- During the last session of the General Assembly, SB 166 (2001 Studies Act) established the Legislative Alcohol Beverage Control Study Commission. The Commission was established to consider the significant impact of the privatization of the State's present system of alcohol beverage control. If privatization was approved, it will exacerbate alcohol-related problems in our beloved State. The Christian Action League of North Carolina is the major enemy of the proliferation of alcohol and we are on the front line in the General Assembly trying to defeat this legislation.

- CAL has assisted 13 townships and counties in preparing and executing strategy to defeat alcohol referendums since January, 2002. We provided free materials and counsel that were critical in minimizing the proliferation of alcohol in North Carolina.

F. Homosexuality

- Rev. Creech wrote an editorial that appeared in the nationwide Agape Press entitled "Thanks Be to God that Anne Graham Lotz Stood Up for Truth." During a recent address to about 500 women, Lotz called homosexuality one of several sins from which man needs to repent. She was ridiculed for this remark and Rev. Creech vigorously defended her position .

"Shaping Lives for... a Life" is the mission of North Carolina Baptist colleges and universities.

Students come to the campuses of Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate expecting to receive an education. What they may not expect is an experience that will shape the rest of their lives.

Like the artist who carefully and methodically sculpts wet clay, giving it form and function, the faculty and staff of North Carolina Baptist colleges and universities shape the lives of students through their dedicated teaching and mentoring.

The graduates of these campuses emerge as people who become our future ministers, doctors, lawyers, artists, teachers, businesspeople, and church and community leaders.

It has been shown that graduates of church related institutions invest themselves in their churches and communities in greater numbers than graduates of public institutions of higher education. As a result of the support of North Carolina Baptists, the future looks bright for our churches and communities.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of North Carolina last year made it possible for six hundred twelve (612) members from four hundred forty-five (445) convention related churches to receive special scholarship assistance to attend our five affiliated institutions of Christian higher education. Seventy-four (74) out of eighty (80) associations were represented in this group.

Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous North Carolina Baptists. One of those recipients lost his father unexpectedly during his freshman year in college. Scholarship assistance from North Carolina Baptists made it possible for him to continue with his studies. He graduated this year.

Another scholarship recipient is the mother of six children. In spite of the pressures to be a good mother, she pursued her studies while holding down a full-time job. She, too, graduated this year with a perfect 4.0 grade point average. She is employed by a North Carolina Baptist institution.

These are a few of those who are benefiting from your generous support of our Baptist State Convention. In the coming years, we will benefit from their contributions to our life as North Carolina Baptists.

Gardner-Webb University - *2001- 2002 Academic Year Summary*

As Gardner-Webb officially enters into a countdown to its centennial in 2005, the institution is experiencing success in all phases of campus life. Despite a progressive move into the 21st century, however, the University's mission remains the same as it has been since its founding in 1905 -- to provide learning of distinction within a caring Christian environment.

The 2001-2002 year at Gardner-Webb will be noted in the annals of the University's history as one of extreme significance. Programs and facilities, affiliations, personnel and student body all were enhance further to continue the institution's rise to regional and national prominence.

Programs such as the M. Christopher White School of Divinity have continued to offer new and dynamic courses of study under the leadership of highly respected faculty members. In Fall 2001 Gardner-Webb began offering its first-ever doctoral program, the Doctor of Ministry (D.Min.) degree, with the maximum number of students enrolled.

The School of Divinity is prepared to enter this new realm with strong administrative and faculty leadership, and challenging curriculum and auxiliary offerings as well. A hallmark of the GWU divinity experience continues to be the annual Holy Land and Paul's Missionary Journeys Study Tours. The trips, now underwritten by GWU for divinity students, is led by GWU President Dr. Chris White, a noted authority in biblical studies, and Dr. Wayne Stacy, Dean of the School of Divinity.

The School of Divinity also welcomed the addition of two newly established endowed chairs in 2001-2002. The Bob D. Shepherd Chair of New Testament Interpretation was the first endowed chair to ever be formed at GWU, and Dr. Todd D. Still was named at opening divinity convocation to occupy the esteemed position. In the spring, the Randall Lolley Chair of Pastoral Studies was completed in honor of Dr. Lolley's tremendous impact on Baptist life.

The Center for Congregational Enrichment, a function of the School of Divinity, this past year was the beneficiary of GWU's largest-ever grant, a $1.25 million gift from the Lilly Foundation to begin a program for youth that nurtures the call to Christian ministry. Hired this year to direct the Center and the new Lilly program was Dr. Danny West, a noted Baptist leader who will administrate the innovative new Lilly venture while continuing the Center's work to provide seminars and workshops to laypersons and church leaders on timely topics that range from teaching Sunday School to effective church administration.

The same sense of excitement and progress that has marked the past year in the School of Divinity has permeated the entire institution as well. Other areas of the University that were lauded this past year include the GWU School of Education, which had its teacher education program ranked for the third year in a row among the top programs of its kind in a recent study produced by the State Board of Education. The School of Education is recognized for quality in all its departments with accreditation from the National Council for the Accreditation of Teacher Education (NCATE), the most prestigious status that can be achieved in teacher education.

Further indication of Gardner-Webb's commitment to the highest level quality of instruction is Dr. Gail Price, winner of the 2001-2002 Fleming-White Excellence in Teaching Award that honors the University's most outstanding faculty member. Price, professor of English and past chair of the GWU Department of English Language and Literature, has brought her Christian influence and integrity to the classroom for more than a decade, and her honor was voted upon by not only students, but fellow faculty and staff as well. Dr. Price is a widely respected authority in her field and regularly participates in innovative efforts locally, regionally and nationally to continually raise the standard of excellence in English and writing instruction.

Furthering its mission to provide world-class education in a Christian setting, Gardner-Webb has refined and expanded many of its 17 off-campus locations this year as well, including the new "Gardner-Webb University at Statesville" operation. Providing the only four-year opportunity to that region of North Carolina, GWU at Statesville is settling into a new, state-of-the-art facility in Iredell County that spans over 11,000 square feet. In April, a new facility was unveiled in Mecklenburg County as well, officially named "Gardner-Webb University at Charlotte." The institution's evening school offerings for working adults are offered at the site along with multiple graduate level programs for the citizens of that area also.

The quality of the student body continued in 2001-2002 to set new standards of excellence at GWU. The average GPA for incoming students was over 3.4 and the average SAT was 1100. A newly completed strategic plan for the University identifies this quality of student as being key to the growth and progress of GWU's next decade. In addition, the strategic plan and accompanying master plan have set forth ambitious and exciting goals for the university in the next decade, including expansion of the physical campus and academic programs, among others.

The new 2001-2002 year also meant the completion of GWU's transition phase to NCAA Division I status. Fall 2002 marks the beginning of a new era in athletics, as well as academics and recognition, as Gardner-Webb has begun competing in the Atlantic Sun Conference (formerly the TAAC). This move to Division I and conference affiliation opens new doors institutionally for Gardner-Webb as new markets and opportunities for exposure are tapped in member cities such as Miami/Ft.Lauderdale, Orlando, Jacksonville, Birmingham, Nashville and Atlanta.

Students at Gardner-Webb also enjoyed another eventful year full of opportunities to grow in all areas of their well-being. Notably, many students again participated in Ministerial Education (M.E.) Days, which allow undergraduate and graduate ministerial students the chance to preach in Baptist churches in area associations through a cooperative arrangement with the GWU Office of Campus Ministries. That office continues also to offer the weekly DIMENSIONS program to students, which features prominent speakers and performers who bring positive messages of their Christian faith each Tuesday throughout the academic year.

As a leader in the Baptist community, Gardner-Webb takes seriously its responsibility as a beacon of quality Christian higher education to the state, region and the nation. The decisions made by the Board of Trustees and the administration will continue to reflect that philosophy as the University charts a course for the 21st century.

Staying true to its affiliation with the Christian faith, Gardner-Webb remains appreciative for the generous support it receives from the Cooperative Program and feels that the school is more effective as a result of offerings that are enhanced with these funds.

Respectfully submitted,

C. David Boan
